A LONDON party of Filipinos, banished the Spaniards to the Mariana, returned Manila on the 24th May.

A LONDON telegram dated May 14 states that Admiral Dowry, upon his return from America will act as President McKinley's adviser on naval and colonial affairs.

At a race meeting held in Manila on 27th May, a match between Mr W. Jackson's *Lady Ben* and Mr R. Toovey's *Bis* resulted in an easy victory for Mr Jackson's mare.

MANILA newspapers report renewed fighting in the vicinity of Paranaque, where the Filipinos are so strongly entrenched that the shells from the *Monardnock* and a submarine appear to have but little effect.

Mr. Nicholas J. Hansen has given his decision in the *Hermes-Tamsui* collision arbitration. He holds the *Hermes* solely to blame, and awards the £200 to the Chinese Navigation Co., Limited.

We understand (says the *Manila Times* of the 31st May) that a cablegram has been received from Hailo to the effect that an Englishman had been killed there and two others wounded. No details were, however, given.

The dredger signalled that she did not require any assistance.

The *Greenock Telegraph* of the 1st March contains a long and complimentary account of the annual inspection of the Greenock Battery of Position of the Renfrew and Dumbarton Volunteer Artillery, of which Battery Captain J. McCallum (formerly Captain of the Hongkong V. C.) is Commandant.

In connection with the centenary of the Church Missionary Society, special services will be held on Sunday next at St. John's Cathedral, St. Peter's Church, Kowloon (Seamen's Institute and the Naval Depot) and the Peak Church. On Tuesday evening there will be a meeting at the Seamen's Institute, Kowloon. The Bishop of Victoria will preside, and Rev. D. Lloyd will speak on 'Work in Fuk-kien.'

Wednesday, 14th June, at 6.45 p.m., the
will be a meeting in the City Hall. Hon.
W. M. Goodman will preside. The speakers
will be Rev. Lh. Lloyd, Rev. C. B. Bennett
and the Bishop of Victoria.

An interesting programme of six events
has been arranged for the second gymkhana
of the season to be held on Saturday, July
17. There is a five furlong race, a jump
pony race, steeplechase, one mile handicap

and tent pegging. The conditions of the Ladies' Nomination are:—Each Lady will be provided with a rosette of coloured ribbon, a streamer of the same colour to be attached to a ring. All the rings to be hung up together so that each one can be taken separately. Nominees will start at about 100 yards distant and tilt at the command and endeavour to take off the ring bearing their respective nominator's colour. It should however, a ring bearing another

colours be taken off instead, the points amount to the Lady whose colour it is. Points will be added on or taken off as usual. Three runs allowed. Post entries will be accepted, but intending competitors are requested to enter in the ordinary way. Three prizes, presented from Gymkhana Fund. Entrance, \$1. Post Entries, \$1.

The Bishops at Barking

The Honorable Secretary for Foreign Affairs, attending in the House of Commons last night in response to representations which had been made, Huxley had postponed deal with the property of British subjects in Hankow.

The Honorable difficulty arises in consequence of the disposition of the property in Hankow, which the Government are endeavoring to dispose of in the form of a sale, and which the Russians consider a serious nuisance. The owners of the property have several times been asked to quit, which, however, they have refused. It is only in the case of the property of the Chinese, compensation has been refused. The matter has now arrived at a stage owing to a fresh and preliminary notice to quit, which was followed by an absolute refusal on the part of the Chinese to comply. They maintain that they are right on their side, as they were in possession many years before the Russians came.

Disastrous Explosion.—**London, May 14.**—A disastrous explosion occurred at Kurr's chemical works, near Hales' near Liverpool, and three persons were killed and several injured. The explosion was caused by a quantity of potassium being exploded, changing the neighborhood into a chemical factory, and 1000 tons of acid became liberated, causing a frightful explosion.

THE NEGRO SOLDIER.

The harvest of military and naval laurels is not yet at an end, although the campaign seems, for very obvious reasons, to be drawing to a close. The Spaniards have written but little of the war, although the fighting was not over till the latter part of 1898, compiled by the California Historical Society. The illustrations are below given that are the poems, the following is a quotation by Mr de Alencastre, of Oporto.

THE NEGRO SOLDIER.

We used to think the negro didn't
know much of the war;
Light-colored in the uniform
chicken-pink and ash;
Mach mixed in point of race;
in point of dress;
The butt of droll cartoons and the
butt of the jest of the press;
But we got to recognize one
color more or less.
